Every child is special!

Groom your child for a Global future

Vision

"Develop well-rounded, well-adjusted and confident future citizens of India and the World"

Welcome

Dear Parents,

In today's world, every Indian now has a much larger stage. The world has opened up to him. Technology and global trade are presenting ever increasing opportunities to excel and succeed in a much bigger way in the global arena.

Also, with newer fields emerging every day, one can now choose a career from myriads of available options. Be it Technology, Arts, Sports or Commerce.

However, to make the most of the opportunities, one needs to have access to world class education and grooming.

Unfortunately, better educational facilities are restricted to only a handful of the bigger metros in India.

Maharaja Public School seeks to change the status quo. It has been born out of our abiding passion to bring the best of schooling to Central India. We have ever since embarked on a task to redefine education in the new global context. "Knowledge for the New Age" is our rallying cry.

It will be our endeavor to provide multi-faceted education to children so that they are ready to play confidently in the global world. But that is not all.

Today, the world also faces manifold challenges. As the world tackles those challenges, our children need to be shining examples of great global citizens. This will need sound grounding in values that uphold individual and collective good.

We have worked hard on the task of setting the stage to launch not only world class professionals but also conscientious global citizens. At Maharaja Public School, you will therefore find the best of educational facilities and also a host of extra-curricular programs to develop well-rounded, well-adjusted and confident young citizens with an overarching world view.

We are sure you are as excited as we about our vision and look forward to your support in carving out a much larger destiny for our children, our country and the world.

Thank You,
Warm Regards,

Chairman

Maharaja Public School

Village- Kemar, PO- Bela, Tehsil- Amarpatan,
Dist.- Satna (M.P.)

Maharaja Public School is a co-educational, day and residential school. The School is founded under Shri Gurukul Vidhya Peeth. It has on board several experienced educationists, eminent academicians and social workers.

Location

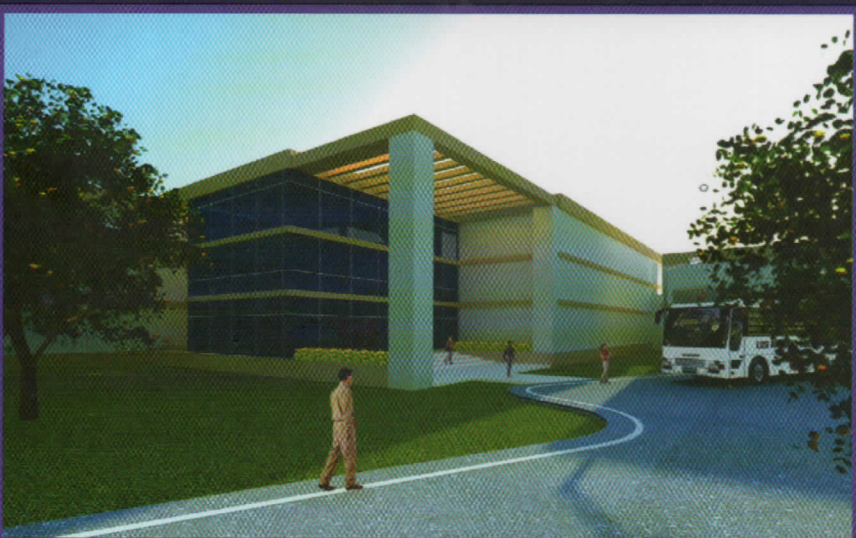

The School campus is spread over a sprawling area of 10 acres and is located at the confluence of NH-7 and NH-75 and is quite accessible from Rewa and Satna.

Academics

Maharaja Public School is an English medium institution offering CBSE course. The school has classes from nursery level to Class 11th. The school adopts contemporary and progressive teaching methods to not only ensure academic excellence but also to make learning more holistic and meaningful.

Residential Hostel Facility

The Maharaja Public School provides residential boarding facilities for boys and girls on campus. All the hostels are well designed and have trained staff members, including a housemistress and a housemaster, along with support staff.

"What we want is to see
the child in pursuit of
knowledge, and not
knowledge in pursuit of
the child"

-G B Shaw

Mission

"Provide multifaceted
and holistic education
blending modern
techniques with
wholesome values"

"Maintain international
standards of education
and also nurture innate
talents of every child so
that they find an exalted
place in the world"

"Every
Child is
Special"

Maharaja Public School

Philosophy

Maharaja Public School believes every child is special and endowed with unique abilities and talents. To unleash the full potential of a child, the society and specially schools need to provide them with the right intellectual and social ecosystem to nurture their talent.

Towards this end, Maharaja Public School provides wide variety of academic and talent development facilities.

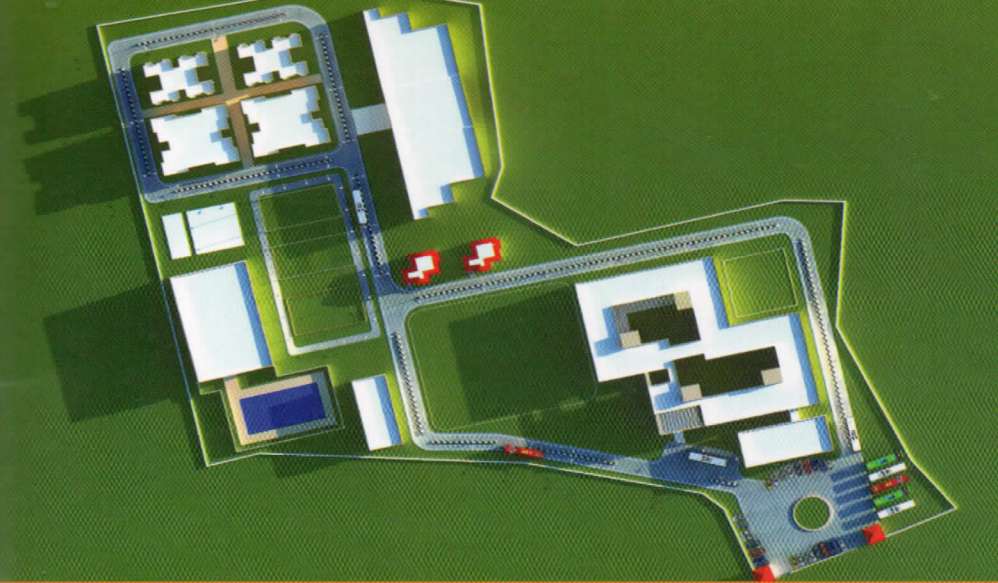

Salient Features

The school is set in a pristine location amidst lot of greenery and fresh air.

The school is built on modern design principles and offers good ventilation and light in the class rooms. The campus adopts several eco-friendly measures to reduce its carbon foot print. It will be powered by solar energy facilities, and have facilities for rainwater harvesting and using biogas for kitchen. The principle of 3 R's (Reduce, Reuse, Recycle) is followed diligently as the water in the sewage will be recycled and reused for maintaining garden.

Apart from the sprawling campus area, 80% of the area is open and lush green thus providing serene and peaceful environment conducive to study and recreation.

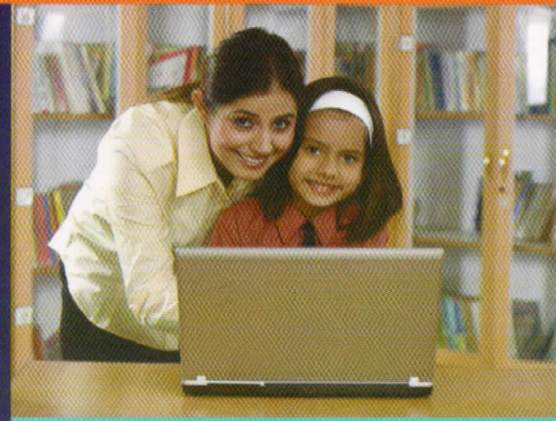

The school will have well-stocked library and state-of-the-art Labs. It will have a fully-fledged IT Lab with the latest hardware and software.

"Future Ready"
Education

Registration and Admission

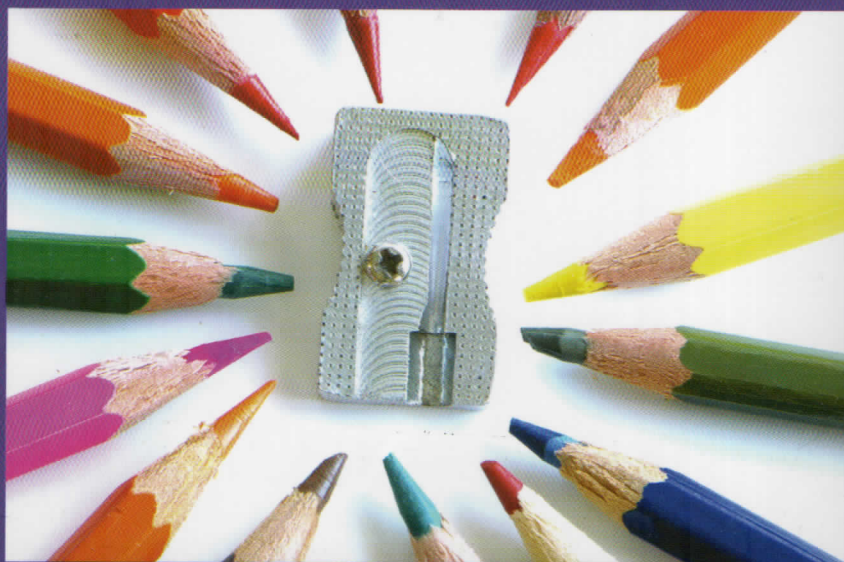

The registration/admission form of Maharaja Public may be printed from the website or obtained from the school admissions office. This form must be completed and sent to the school along with all the documents mentioned on the form to enable the school to process the application.

The Maharaja Public School conducts an entrance examination for children seeking admission. These entrance examinations are conducted well before the commencement of the new academic session and dates are communicated to the parents of children in advance. Offers for admissions will be made on the basis of the results of these examinations and will depend on the number of vacancies in each class.

Applications for admission for academic year 2011-12 should reach the School latest by April 15th, 2011.

"Education is not preparation for life; education is life itself"

-John Dewey

Maharaja Public School Application Form

An application for registration is the first stage of the admission process. A registration fee must be deposited with the school along with the application so that a child's name may be registered on the waiting list for the year and class for which admission is sought. The registration fee is not refundable. The registration form may be obtained by writing to the school admissions office for a copy of the school prospectus.

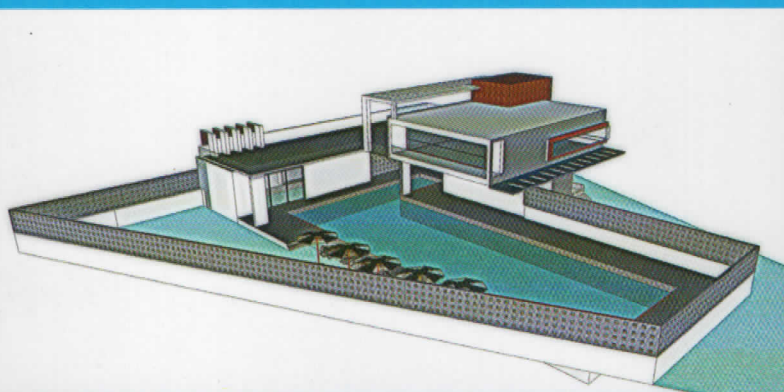

Welcome your child to a world
of greater achievements!

"A journey of
a thousand
miles must
begin with a
single step"

-Lao-Tsu
