## Welcome

In today's rapidly evolving world, the horizons of opportunity have expanded like never before. Every Indian now stands on a global stage, poised to excel in a dynamic landscape shaped by technology, innovation, and international trade. The future holds limitless possibilities, and our children are at the center of this transformation.

From technology and commerce to arts and sports, the career options available today are vast and diverse. However, to truly seize these opportunities, access to world-class education and holistic development is essential. Unfortunately, such premier facilities are often limited to the bigger metropolitan cities in India.

At Maharaja Public School, we are driven by a vision to change this narrative. With a commitment to bringing the finest in education to Central India, we have embraced the challenge of redefining learning in a global context. Our motto, "Every Child is Special," reflects our aspiration to prepare students not only for success but also for significance in the world.

### Our mission is two fold:

- To equip children with a world-class education and skill set that enable them to thrive on the global stage.
- To nurture values that empower them to become conscientious global citizens, ready to tackle challenges and contribute to the greater good.

At Maharaja Public School, your child will experience a unique blend of academic excellence and vibrant extracurricular programs, designed to foster well-rounded, confident, and globally-aware individuals. From state-of-the-art facilities to a curriculum that encourages critical thinking, creativity, and collaboration, we ensure that every child is prepared to shine in a competitive and interconnected world.

Together, let us craft a brighter future for our children, our nation, and our world. We are thrilled to embark on this transformative journey with you and look forward to your support in building the leaders of tomorrow.

Warm regards,

*Devin*  
Chairman

## EXTRA CURRICULAR ACTIVITIES

For effective learning both body and the mind need to be in perfect unison with academic pursuit in class rooms and outdoor activities. A healthy child with body and mind is the emphasis of the school at *MPS*. We develop children with all round activities which enables them to reach their full potential through ample freedom-based activities.

Extracurricular activities compliment the academic work of the school and provide varied opportunities, greatly increasing the probability of students discovering activities at which they can excel. The array of opportunities is integrated into the curriculum to make the days at school productive and enhance confidence, self-esteem, leadership, creativity, team spirit, patriotism, sympathy and empathy in a child.

"Education is the  
key that unlocks  
the doors to  
endless  
possibilities and  
a brighter future."

## SPORTS

Our school has world class infrastructure for various sports and we offer professional coaching in variety of sports i.e. (Cricket, Archery, Swimming, Football) to groom the students in their respective sports. The playground at MPS is more than just a field—it's a training ground where we nurture future champions.

We believe in the harmony of mind and body for effective learning. Our sports and athletics programs complement academics, fostering healthy, well-rounded students who excel both in the classroom and on the field.

Integrated into the curriculum, these activities help students to discover their talents in their various fields while building leadership, teamwork, confidence, and resilience. They instill patriotism, empathy, and sportsmanship, shaping young minds and strengthening their spirits.

## HOLISTIC DEVELOPMENT

A holistic approach nurtures well-rounded individuals by emphasizing physical, emotional, intellectual, creative, and social well-being. Our experiential and exploratory learning extends beyond classrooms, integrating values and diverse activities like theatre, music, sports, robotics, and community service to foster compassion and versatility.

We regularly upgrade our curriculum, introduce new subjects like Global Perspectives and Theatre Arts, and enhance infrastructure, including a Centre for Performing Arts, and a renovated auditorium.

The success of our alumni across varied fields, from social entrepreneurship to the arts and sports, highlights the value of our holistic approach to education.
